 22. Barr, C. L. and B. M. Drees. 1994. Texas Veterinary Survey: Impact of Red Imported Fire Ants on Texas Animal Health. Proc. of 1994 Imported Fire Ant Conference, Dept. of Ent., Auburn University, Mobile, Alabama. pp. 35-44.
 23. Barr, C. L. and B. M. Drees. 1995. Texas Cattle Producer's Survey: Impact of Red Imported Fire Ants on the Texas Cattle Industry. Proc. 5th International Pest Ant Symposia and the 1995 Annual Imported Fire Ant Conference (S. B. Vinson and B. M. Drees, eds.). San Antonio, Texas. pp. 138-145.
 24. Barr, C. L. and B. M. Drees. 1996. Fire Ant Related Economic Losses Versus Operation Size in Cattle Production: Results of the Texas Cattle Producer's Survey. Proc. of the 1996 Imported Fire Ant Research Conference. New Orleans, LA. Hosted by USDA Gulfport, MS. pp. 84-91.
 25. Barr, C. L., R. L. Best and B. M. Drees. 2000. A Field Comparison of Five Broadcast Baits as Full Rate, Hopper Blend and Skip-swath Applications. Proc. of the 2000 Imported Fire Ant Conference (J. L. Croker, K. M. Vail, and R. M. Pereira, eds.). Chattanooga, TN. Hosted by University of Tennessee. pp. 84-89.
 26. Barr, C. L., R. L. Best, and R. G. McCarver. 2000. Fire Ant Management Program in a Public Housing Project - Mount Pleasant, Texas. Proc. of the 2000 Imported Fire Ant Conference (J. L. Croker, K. M. Vail, and R. M. Pereira, eds.). Chattanooga, TN. Hosted by University of Tennessee pp. 47-52.
 27. Barr, C. L., B. Summerlin, and B. M. Drees. 1999. A Cost/Efficacy Comparison of Individual Mound Treatments (IMT) and Broadcast Baits. Proc. of the 1999 Imported Fire Ant Research Conference. Charleston, SC. Hosted by Clemson University and the Berkeley County Extension Office, South Carolina. pp. 31-36.
 28. Bast, P., P. M. Horton, and K. Miller. 2000. Evaluation of Amdro in Combination with Several Red Imported Fire Ant (RIFA), *Solenopsis invicta* Buren Baits as a Broadcast Application. Proc. of the 2000 Imported Fire Ant Conference (J. L. Croker, K. M. Vail, and R. M. Pereira, eds.). Chattanooga, TN. Hosted by University of Tennessee. p. 149.
 29. Bedford, T., S. B. Vinson and W. E. Grant. 1999. Influence of Fire Ant Colony Density on Foraging Activity of Fire Ants and Small Mammals. Proc. of the 1999 Imported Fire Ant Research Conference. Charleston, SC. Hosted by Clemson University Dept. of Entomology and the Berkeley County Extension Office, South Carolina. pp. 135-136.
 30. Benson, L. 1984. An Update on RO-13-5223 (Logic Fire Ant Insecticide). Proc. of the 1984

- Imported Fire Ant Conference (M. E. Mispagel, ed.). University of Florida Institute of Food and Agricultural Science, Gainesville, FL. pp. 197-204.
31. Beuerman, A., K. Loftin and D. Shanklin. 2001. Imported Red Fire Ant Education and Control in an Urban Environment FY 99-00. Proc. of the 2001 Annual Imported Fire Ant Research Conference (S. B. Vinson and S. Ellison, eds.). San Antonio, TX. pp. 118-120.
 32. Bextine, B. and H. Thorvilson. 1998. Field Applications of *Beauveria bassiana* Alginate Pellets. Proc. of the 1998 Imported Fire Ant Research Conference. Hot Springs, AR. Hosted by University of Arkansas, Division of Agriculture. pp. 57-61.
 33. Bextine, B. and H. Thorvilson. 1998. Tracking Alginate Pellets Using Ultraviolet Reflective Dyes. Proc. of the 1998 Imported Fire Ant Research Conference. Hot Springs, AR. Hosted by University of Arkansas, Division of Agriculture. pp. 62-64.
 34. Bhatkar, A. P. 1986. Movement of Marked Workers Between the Fire Ant Mounds in a Texas Pasture Habitat. Proc. of the 1986 Imported Fire Ant Conference (M. E. Mispagel, ed.). The Texas Dept. of Agriculture, Austin, TX. p. 16.
 35. Bhatkar, A. P. 1990. The Imported Fire Ant in Urban Environments. Proc. of the 1990 Imported Fire Ant Conference (M. E. Mispagel, ed.) Dept. of Ent., Texas A&M University, College Station, TX. pp. 19-21.
 36. Bhatkar, A. P. 2001. Survey and Regulatory Programs for the Imported Fire Ant in Texas. Proc. of the 2001 Annual Imported Fire Ant Research Conference (S. B. Vinson and S. Ellison, eds.). San Antonio, TX. pp. 17-18.
 37. Bhatkar, A. P. and R. E. Gold. 1991. Red Imported Fire Ant in Urban Environments: Current Research Status. Proc. of the 1991 Imported Fire Ant Conference (M. E. Mispagel, ed.). Dept. of Ent., The University of Georgia, Athens, GA. pp. 112-113.
 38. Bhatkar, A. P., R. R. Dunton and S. B. Vinson. 1987. Sex Ratios in Mono- and Polydomous *Solenopsis invicta* Populations. Proc. of the 1987 Imported Fire Ant Conference (M. E. Mispagel, ed.). Dept. of Ent., Louisiana State University, Baton Rouge, LA. p. 25.
 39. Blewett, T. C. and R. B. Cooper. 1998. Control of Red Imported Fire Ant (*Solenopsis invicta*) with Spinosad. Proc. of the 1998 Imported Fire Ant Research Conference, Hot Springs, AR. Hosted by University of Arkansas, Division of Agriculture. pp. 150-158.
 40. Bosworth, J. and R. K. Vander Meer. 1984. Colony Founding Minums: A New *Solenopsis invicta* caste. Proc. of the 1984 Imported Fire Ant Conference (M. E. Mispagel, ed.). University of Florida Institute of Food and Agricultural Science, Gainesville, FL. pp. 92-105.
 41. Boulay R. and L. M. Hooper. 2000. Foraging Behavior in *Solenopsis invicta*: What are the

- Possible Neurohormonal Mediators? Proc. of the 2000 Imported Fire Ant Conference. (J. L. Croker, K. M. Vail, and R. M. Pereira, eds.). Chattanooga, TN. Hosted by University of Tennessee. p. 159.
42. Bowen, R. A. 2001. Eradication of RIFA in Orange County Program Design. Proc. of the 2001 Annual Imported Fire Ant Research Conference (S. B. Vinson and S. Ellison, eds.). San Antonio, TX. pp. 107-109.
 43. Briano, J. A., D. F. Williams, and D. H. Oi. 2000. The Fire Ant Microsporidian Pathogens, *Thelohania solenopsae* and *Varimorpha invictae*: Field Host Range, Intracolony Prevalence, and Dual Infections. Proc. of the 2000 Imported Fire Ant Conference. (J. L. Croker, K. M. Vail, and R. M. Pereira, eds.). Chattanooga, TN. Hosted by University of Tennessee, pp. 77-80.
 44. Briano, J. A., L. A. Calcaterra, D. F. Williams, and D. H. Oi. 2000. The Fire Ant Parasite *Solenopsis daguerrei*: Progress Report at the USDA-ARS-SABCL-Argentina. Proc. of the 2000 Imported Fire Ant Conference (J. L. Croker, K. M. Vail, and R. M. Pereira, eds.). Chattanooga, TN. Hosted by University of Tennessee, pp. 81-83.
 45. Briano, J., L. Calcaterra, D. F. Williams, and R. Paterson. 1997. The Parasitic Ant, *Solenopsis daguerrei* (Hymenoptera: Formicidae), on Fire Ants: Abundance and Field Studies in Argentina. Proc. of the 1997 Imported Fire Ant Research Conference. (D. P. Wojcik, ed.) Gainesville, FL. Hosted by USDA at Gainesville, FL. pp. 72-86.
 46. Buczkowski, G. and M., Tomalski. 1999 [14C] Fipronil Flow in Laboratory Reared Colonies of the Red Imported Fire Ant, *Solenopsis invicta* Buren. Proc. of the 1999 Imported Fire Ant Research Conference. Charleston, SC. Hosted by Clemson University Dept. of Entomology and The Berkeley County Extension Office, South Carolina. p. 134.
 47. Burns, S. N., R. K. Vander Meer, P. E., A. Teal and J. L. Nation. 1999. Effects of Juvenile Hormone and Precocene Treatments on Dealation of *Solenopsis invicta* Female Alates. Proc. of the 1999 Imported Fire Research Conference. Charleston, SC. Hosted by Clemson University Dept. of Entomology and The Berkeley County Extension Office. p. 126.
 48. Burns, S. N., R. K. Vander Meer, J. T. Vogt, J. L. Nation and P. E. Teel. 2001. Evidence of the Importance of Juvenile Hormone for Flight in *Solenopsis invicta* Female Alates and the Influence of Mating in Post-Nuptial Flight Dealation. Proc. of the 2001 Annual Imported Fire Ant Research Conference (S. B. Vinson and S. Ellison, eds.). San Antonio, TX. p. 171.
 49. Calix, C. and L. Hooper-Bui. 2000. RIFA Attack of Quail Eggs in the Laboratory. Proc. of the 2000 Imported Fire Ant Conference. (J. L. Croker, K. M. Vail, and R. M. Pereira, eds.). Chattanooga, TN. Hosted by University of Tennessee. pp. 5-7.
 50. Calixto, A., A. Knutson, M. K. Harris, B. Ree and A. Dean. 2001. Interspecific Interactions of *Solenopsis invicta* with Other Ants, Aphids, Predatory Insects and Spiders in Pecan. Proc. of the 2001 Annual Imported Fire Ant Research Conference (S. B. Vinson and S. Ellison, eds.). San

Antonio, TX. pp. 162-170.

51. Callcott, A.-M. 1989. Influence of Soil Type and Other Environmental Factors on Toxicity of Chlorpyrifos to Imported Fire Ants. Proc. of the 1989 Imported Fire Ant Conference (M.E. Mispagel, ed.). U. S. Dept. of Agriculture, Animal and Plant Health Inspection Service, Science and Technology, Imported Fire Ant Station, Gulfport, M. S. pp. 143-160.
52. Callcott, A.-M. 1990. Effects of MOBAY NTN33893 on Imported Fire Ants. Proc. of the 1990 Imported Fire Ant Conference (M. E. Mispagel, ed.). Dept. of Ent., Texas A&M University, College Station, TX pp. 99-108.
53. Callcott, A.-M. 1992 Factors Influencing Residual Activity of Chlorpyrifos in Nursery Potting Media. Proc. of the 1992 Imported Fire Ant Conference (C. S. Lofgren, ed.). Dept. of Agriculture, Commonwealth of Puerto Rico, San Juan, Puerto Rico. pp. 59-76.
54. Callcott, A.-M. 1993. Tefluthrin: A Promising New Imported Fire Ant Quarantine Insecticide. Proc. of the 1993 Imported Fire Ant Research Conference, Ent. Dept., Clemson University, Charleston, S. C. pp. 47-57.
55. Callcott, A.-M. 1994. 1993 Field Trails. Proc. of 1994 Imported Fire Ant Conference., Dept. of Ent., Auburn University, Mobile, AL. pp. 99-108.
56. Callcott, A.-M. 1996 The Information Age: What's Out There? Proc. of the 1996 Imported Fire Ant Research Conference. New Orleans, LA. Hosted by USDA at Gulfport, MS. pp. 7-8.
57. Callcott, A.-M. and H. Collins. 1995 IFA Electronic Bulletin Board System: Should We or Shouldn't We? Proc. 5th International Pest Ant Symposia and the 1995 Imported Fire Ant Conference (S. B. Vinson and B. M. Drees, eds.). San Antonio, TX. pp. 107-109.
58. Callcott, A.-M. and H. Collins. 1995. Invasion and Range Expansion of Imported Fire Ants in North America from 1918-1993. Proc. 5th International Pest Ant Symposia and the 1995 Imported Fire Ant Conference (S. B. Vinson and B. M. Drees, ed.). San Antonio, TX. pp. 50-61.
59. Callcott, A.-M. and H. Collins. 1996. Attractiveness and Efficacy of Hydramethylnon Baits Against Imported Fire Ants. Proc. of the 1996 Imported Fire Ant Research Conference. New Orleans, LA. Hosted by USDA at Gulfport, MS. pp. 131-136.
60. Callcott, A.-M. and H. Collins. 1997. Update on New IFA Quarantine Treatments. Proc. of the 1997 Imported Fire Ant Research Conference. (D. P. Wojcik, ed.) Gainesville, FL. Hosted by USDA at Gainesville, FL. pp. 42-48.
61. Callcott, A.-M. and H. Collins. 1998. Exclusion of RIFA Colonies from Containerized Nursery Stock with SpinOutR® in Combination with Pyrethroid Insecticides. Proc.

- of the 1998 Imported Fire Ant Research Conference. Hot Springs, AR. Hosted by University of Arkansas, Division of Agriculture. pp. 163-166.
62. Callcott, A.-M. and H. Collins. 1998. Fipronil: A Molecule for All Reasons. Proc. of the 1998 Imported Fire Ant Research Conference. Hot Springs, AR. Hosted by University of Arkansas, Division of Agriculture. pp. 25-38.
 63. Callcott, A.-M. and H. Collins. 1999. Tennessee Mating Flight Study: Can the Biology of the Imported Fire Ant be Used to Aid in Certification of Field Grown Nursery Stock? Proc. of the 1999 Imported Fire Ant Research Conference. Charleston, SC. Hosted by Clemson University Dept. of Entomology and The Berkeley County Extension Office, South Carolina. pp. 6-9.
 64. Callcott, A.-M. and H. Collins. 2000. Quarantine Treatments for Nursery Stock: A Research Update. Proc. of the 2000 Imported Fire Ant Conference (J. L. Croker, K. M. Vail, and R. M. Pereira, eds.). Chattanooga, TN. Hosted by University of Tennessee, pp. 107-109.
 65. Callcott, A. -M., T. Lockley and L. McAnally. 2001. Current IFA Quarantine Treatments and Current Research at the USDA, APHIS, PPQ, Gulfport Plant Protection Station. Proc. of the 2001 Annual Imported Fire Ant Research Conference (S. B. Vinson and S. Ellison, eds.). San Antonio, TX. pp. 140-141.
